Years and costs

Year (construction start)	1963	Building costs	\$ 1,027,510,000
Year (construction end)	2016		

Features & Amenities

- One of the city's famous buildings
- Observation floor is available
- Public parking is available

Facts

- The design leaves the existing former storage facility Kaispeicher A intact and makes use of it as its base structure, for it was built to withstand even biggest loads.
- The structure will include an observation plaza below the glassy superstructure which will be open to the general public.
- The building replaces the cancelled MediaCityPort project.
- The warehouse structure replaced the Kaiserspeicher building.
- The warehouse structure at the base was designed by Kallmorgen & Partner and completed in 1966.
- The official opening took place on January 11 and 12, 2017. It was inaugurated by German Federal President Joachim Gauck, Mayor of Hamburg Olaf Scholz, architect Jacques Herzog from Herzog & de Meuron, and General and Artistic Director Christoph Lieben-Seutter.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
